

MICHIGAN STATE MUZZLELOADING ASSOCIATION

NEWS LETTER

JULY/AUGUST 2012

THE PRESIDENTS MESSAGE

This is a new experience for me to write as the new President of the MSMLA or as anything else for that matter. The State Shoot went off well in spite of the less than expected turnout. My thanks to those who did volunteer at various jobs, the shoot could not exist without you. For those of you who were not at the shoot, we have a new President (Ted Thelen) and a new Secretary (Diane McGregor). Jim Brotherton and Marty Maddox will remain as VP and Treasurer. We also have two new board members, Serge Bordeaux and Ron Fernwalt. I would like to thank all the people who serve on the board or executive committee in any capacity, it shows a commitment to the organization that is appreciated.

In other news from the State Shoot, Randy MacInnes was the newest member elected to the Keeler Society. I believe it is the first time I've seen him speechless. The winner of the raffle was June Perez of Bellville, MI. She received the rifle by Cal Meabon, bag by Russ Anderson, knife donated by Mason and horn by Mike Root. I talked to her after she received her winnings and to say the least, she was thrilled. It is important to keep this raffle in people's minds as it is how we pay for most of our prizes. We have a gun builder and bag for next year but we need a horn. If anybody is willing to donate one please get a hold of me at 517 927 6218. We are also looking for a builder for 2014. I would like to have that person identified and the type of gun he wants to build before the Feb. board meeting so we can approve the money needed to buy parts for him. Again if you are interested contact me.

In one last order of business for the MSMLA we have received no letters from any clubs to host the 2014-2017 State Shoots. Our bylaws state that all letters requesting to host the State Shoot must be received prior to our July board meeting. In order to continue the shoot GVCB has agreed to host for one additional year so we will be there through 2014. Any club that would like to host the State Shoot for 2015-2018 please contact us.

Now on the lighter side, I participated in the chunk gun match at Broken Lock last Saturday. I didn't shoot particularly well but at least I didn't finish last. We did have one more person show up in proper attire (bibs and tie). I like to see traditional attire in this match in particular. They had a woods walk on Sunday but I was unable to attend. Don't forget the NMLRA Territorial will be held at Beaverton on Aug 10,11,12. There will be a potluck on Saturday and I will be making a pot of jambalaya. I guess that's all for now, sorry for all the association news but I believe it's important to keep everyone informed. Ted

Newbie on a Slug Gun

While in Friendship Indiana, during the Spring Nationals Championship shoot, Marty Maddox had the opportunity to try something new. Randy MacInnes offered to let Marty the chance to shoot his Slug Gun, just to try it out. After some practice they decided to hang a record target just for the heck of it. Before targets are hung the shooters do a little art work on the back of the targets. You and I normally see a black bull's eye with scoring rings out to 7 or 8, but the Slug gunners draw circle on the reverse side of the target to duplicate the 10 ring and the X ring. That is all they see looking thru' their scope. As you may or may not know Marty is not a new to Bench shooting as she has been shooting with me at Friendship and the State Shoot for several years. She was and is a good learner.

Slug gunners are allowed two relays to shoot two five shot targets and this match was match 195. Match 195 is the Woman's 100 yard Slug Gun Match. I was there to watch the first relay and she did very well for a newbie (heck she did well for a seasoned shooter). She started out shooting and shot an X she thought and then another shot produced another X she thought. I didn't get to see what she was seeing as I didn't have the opportunity to see thru' the scope. So, she continued shooting to finish the first of two relays for her match. She thought that it may have scored maybe a 49 with 3 X's. OK that's a good score for someone who has not a shot Slug Gun before. Weeeeeeeelllllll, I had shooting to do and had to hang a target for the next relay so, I left to go to the back to the nasty end of the bench line.

Well, after she had shot her second target she came back down to report the results. She wanted 100 very bad, but didn't think she got it. She thought maybe a 99-7X and was a little disappointed.

She wanted the 100 pin you see. All of the guys who had shot the men's match did not fare as well and would have been happy with a score like that.

The next day we went to the crying wall to see what her posted score was. **99-8X**. I thought holly crap, that's fantastic. We decided to go take a look up at scoring just to make sure there was no mistake made. There wasn't. The first target scored 50-4X and the second scored 49-4X, for a combined total of 99-8X. A great score

After the protest period and awards you are allowed to get you targets for keep-sake, which we did. We looked at the target and sure enough 99-8x. We looked at the reverse side where she had done her art work (making circles) and noticed that she been of on drawing her circles. If one had scored the circles instead of the official bull's eye, guess what? Yep, it would have scored **100-8x**. The record score for the match is a perfect 100-10X. Can my girl shoot or not? Obviously with a score like she shot it was a first in the Women's Slug Gun Match.

Marty also won the Woman's Aggregate at State Shoot this year (2012).

A humbled Husband

THE KEELER SOCIETY

Randy MacInnes has spent almost a lifetime in muzzle-loading. He is, of course, the son of the well-known Jerry MacInnes, a former MSMLA member. Randy has retired from a successful career as a designer for a company that constructs shopping malls. Ask Randy about the elephant.

He is a member of the Columbiaville club and competes both locally and nationally, principally in the bench rifle and slug gun disciplines. He also worked with the NMLRA in organizing the celebration of the organization's 75th anniversary. He manned their booth at several SHOT Shows. paying his and Shelly's room and travel expenses out of his own pocket. He has encouraged his son and daughter-in-law, Mike and Erin, to continue shooting and watched their children enjoy muzzle-loading shooting. He has been President of the MSMLA several times; stepping up last year to do the job when no one else would take the position. He is a very organized and enthusiastic individual who can get the job done efficiently and well. Knowledgeable as to rules and regulations, both in competitive shooting and organizations, he is fair and firm. he doesn't hesitate to help people, sometimes before they know they need help, or to correct problems. He has loaned his bench and rifle to Junior shooter so that they could shoot the aggregate.

Jerry would be proud, as the Society is, to see him as a member.

REPORT FROM REGISTRATION CHAIRPERSON

Registration 2012 – Shoot turnout was down this year. Fifty-five (55) this year versus seventy-two (72) last year.

A big thank you to those that volunteered with build-up – Jim Brotherton, Janet & Scott Langworthy and Randy MacInnes. Those that helped Tuesday evening with pre-registration, Ron & Sharon Smith. And last but not least, the members that volunteered their time in registration for the shoot.

I need to thank David, my Husband, for all the things he does to make my job easier. He prints all those labels for the target, we get a count of the target racks and those left in the boxes. David makes sure we have enough new targets on hand so we don't run out. He helps me to be organized and make it look easy. Thank you David.

We had a lot of positive remarks about the target request form that was implemented this year. Most of the shooters felt it was easier, they got their targets quicker and they didn't have to wait at the window.

Thanks to all the shooters that came this year. Mark your calendar for 2013, July 10th thru' the 14th. See you there.

Marty

OVER THE LOG

Greetings all my black powder friends. Well the balls are all poured and the horns are full and we are ready for another fun filled summer of shooting with likeminded folks. This is what happened June 2 ND. at Broken Lock Muzzleloaders with the first over the log shoot held there this year. Dennis Priddy put on the first log shoot held in the state the third week end in May over to Grand Valley Cap & Ballers. The attendance was low but everyone who shot had a good time. Sat at Broken Lock the rain held off but the wind gave the shooters fits. It was a fifteen shot match with a Blind Shingle thrown in just before lunch break. The top shooter was DON WARD with a measure of 10.389 next was Dennis Priddy with a measure of 11.861 and third place was John Konkle 12.382 the best "X" of the day was .012 shot by Don Ward To get the measurements we measure from centerline of "X" to centerline of ball

hole down to a thousands of an inch. . Broken Lock wants to thank everyone who came and a special thanks to Brenda Konkle (Johns daughter) who turns sixteen soon for doing all the input in the computer to tally the scores . To all the WALL FLOWERS out there come on out and join the fun .You don't need a special gun to shoot this some do but they didn't start out that way You won't regret it one bit. The next log shoot is at Grand Valley June 16 th. come out and join us for an enjoyable shoot.

BRIDGEPORT FUN RENDEZVOUS

The 3rd annual Bridgeport Fun Rendezvous is now history and was a great weekend. We had a nice encampment with lots of canvas in the air. Our participation on the range was down mostly due to the very hot weather. The afternoon ice delivery was very welcome indeed. The Saturday evening pot luck was great fun and was followed by dessert of ice cream. We wish to thank everyone for their generosity on the raffles. On Saturday we raffled a wooden canteen donated by Rex Colman and on Sunday we had a powder horn made by Mike Sullivan. Our winners, Jeff Placher and Larry McGregor were very happy with their new plunder.

The top shooters were Joe Frappart, Len Graves and Jack Perry. We had a few new targets on the novelty range and had some suggestions to try in the future. It is nice to have shooters offer up ideas to add to the list of targets available. Water bottles and potatoes are still favorites due to the explosion factor. We had lots of people throwing knife and hawk this year. Some still say they can't stick the knife in the 3-d targets but I think they just don't hold their mouth right. I got most of my points on the 3-d targets.

We will look for you all in February at our next shoot. See somewhere soon.

Tyle and diane

This gobbler repeated the pattern of my turkey hunt from two years ago. But this year he did a whole lot more gobbling from the tree before flydown, which allowed me to talk to him some. When he landed less than 40 yards from me, I couldn't believe what was happening. The decoys were keeping him distracted as he made his way thru the trees to a point where I took my shot-about 18 yards. This bird weighted 24lbs., the beard is over 10 inches, and the one spur is 1 and 1/4 inches, while the other is 1 and 5/16 inches.

NEW BORN MUZZLE LOADERS

Just wanted to let you know that my son was born June 1st at 9:35 a.m. He was 8lbs. 2oz., 21 1/2 inches long. His name is James Rhys Sanders. His dad, Rob, and I are very proud and we are doing well.

Jenny Sanders

Just have to spread the word. Taylor called today after her appointment, and we are expecting our first Great-Granddaughter!! Her name will be Kaydence Lynn Eaton and she is expected late in November. Mom and Day, Taylor and Colton were told that Kaydence is growing at the expected rate, is moving a lot, and is developing well. Just had to share this information, and guess what???? I cried when on the speaker phone with Taylor. Aren't you surprised??? Will keep you on posted as the expected date gets closer. Wow, where has the time gone? Another generation in our family.

Thanks,
Sharron Smith

LOSS OF A LOVED ONE

I received word that Bernie Trantham lost his youngest daughter Patty, this past week. I am sorry but this is all the information I have.

Bernie's Address is:
22275 69th
South Haven, Mi. 49090

To let you know that we have lost the last founder of the Lansing Muzzle Loading Gun Club. Our much cherished senior member Chuck Langworthy passed away Tuesday night July 24th at about 11:00 p.m. at the age of 90 years old.

His input will be greatly missed by all who knew him.

Chuck has been a long time member of the NMLRA and was inducted into the Keeler Society a few years ago.

A funeral Dinner will be at Coral Gables, 2838 E. Grand River, East Lansing, Michigan at Noon on Saturday July 28, 2012

Thanks, J.B.

UNDER THE WEATHER

Dean Haag, member of the Grand Valley Cap N Ballers had his first chemo, and after first week, his platletts had dropped from 143,000 to 63,000 so we go again on 10th to see if they have come up at all... and now his left side is very weak, his arm and down his leg...After the blood work he goes over to the hospital to get another catscan to see what the change is from the last one. and pray that his platletts have come up so he can have his second chemo on the 18th...

Thanks for the thoughts and prayers .. Love u all
