ROY "PA" KEELER CENTENNIAL MATCH

This year the members of the Spirit of Roy Keeler Society have decided to sponsor a match to commemorate the centennial of his birth. Roy was born in 1917 and while he didn't live to see his one-hundredth year his memory is still alive in the hearts and minds of all that knew him.

To celebrate his one-hundredth year we have come up with a match that would best exemplify his views of muzzle loading competition.

Roy was never one to worry about the final score of a match or who won or lost. To him the main focus was on enjoying the shooting sports and the people you were spending time with.

With that in mind we are sponsoring a match where scores won't be tabulated. All a person needs to do is shoot the target we have selected and they will win.

If a person registers at the Michigan State Championship Rifle & Pistol Matches or the Michigan Territorial Rifle & Pistol Matches they will be issued a five bull target that will be labeled "The Roy "Pa" Keeler Centennial Match. That target must be shot at a distance of fifty yards and anyone that turns in a completed target will get a commemorative patch that will be worthy of putting out on display.

Three shots will be fired from any rest position and two shots must be shot from the offhand position all using the same rifle.

Any iron sights will be allowed, but no scopes.

Inline rifles will be allowed but they must use patched round ball ammunition.

Similar matches will be held at the Michigan state championship shotgun matches as well as the Michigan territorial championship shotgun matches. Those matches will consist of five birds at ten yards and anyone that registers to compete will be eligible to shoot the "Roy "PA" Keeler Centennial Shotgun Match." Like the rifle matches no scores will be kept for that match but you must shoot the match to receive your patch.

Muzzle loading Shotguns must be used in these matches. Other than that standard rules apply.

Best of all there will be no cost associated with these matches. Register to shoot and you're in. Complete the match and get a patch. It's that simple.
